LETTER FROM THE BOARD

8. RECOMMENDATION

The Directors consider that the granting of the Issue Mandate and the Repurchase Mandate, the extension of the Issue Mandate and the re-election of retiring Directors are all in the best interests of the Company and the Shareholders as a whole. The Directors therefore recommend the Shareholders to vote in favour of the relevant resolutions as set out in the notice of the AGM.

By Order of the Board of
North Mining Shares Company Limited
Yang Ying Min
Chairman

The following explanatory statement contains all the information required to be provided to all Shareholders pursuant to Rule 10.06 of the Listing Rules relating to the resolution to be proposed at the AGM authorising the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the total number of issued Shares of the Company was 19,902,616,709 Shares. Subject to the passing of the ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution, the Directors would be authorised to repurchase up to 1,990,261,670 Shares (being 10% of the Shares in issue) during the period up to (i) the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any applicable law of Bermuda to be held; or (iii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

2. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchases when appropriate and beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the net assets and/or earnings per Share.

3. FUNDING OF REPURCHASES

The Company is empowered by its Bye-laws to purchase its Shares. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of the fund of the Company that would otherwise be legally available for dividend or distribution or out of the share premium accounts of the Company for such purpose under the laws of Bermuda. Under Bermuda law, the shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced so that the shares may be subsequently re-issued.

In addition, the Company Act 1981 of Bermuda (as amended) provides that a company may not repurchase its shares if, on the date on which the repurchase is to be effected, there are reasonable grounds for believing that the Company is, or after the repurchase would be, unable to pay its liabilities as they become due.

4. IMPACT ON WORKING CAPITAL OR GEARING LEVEL

As compared with the financial position of the Company as disclosed in its most recent published audited consolidated accounts as at 31 December 2015, the Directors consider that there might be a material adverse impact on the working capital or gearing position of the Company in the event that the proposed Repurchase Mandate were to be exercised in full during the proposed purchase period. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, has any present intention, in the event that the repurchase proposal is granted by the Shareholders, to sell any Shares to the Company or its subsidiaries.

No connected person of the Company has notified the Company of a present intention to sell any Shares to the Company or its subsidiaries, or has undertaken not to do so in the event that the Repurchase Mandate is granted by the Shareholders.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will exercise the power to make repurchases of Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules and all applicable laws of Bermuda, and in accordance with the regulations set out in the Bye-laws.

7. EFFECT OF TAKEOVERS CODE

If on exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are not aware of any Shareholders, or a group of Shareholders acting in concert (other than Universal Union and its shareholders), who may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

9. SHARE PRICES

During each of the previous twelve months, the highest and lowest prices at which the Shares were traded on the Stock Exchange were as follows:

Months	Per Share

2015		
March	0.3900	0.3200
